

Jodi B. Henry

I am Jodi Henry, a candidate for Beechwood High School SBDM Council. My husband Patrick and I live in Ft. Mitchell with our three children. Brenna is a Sophomore at Beechwood and our sons Ryan and Colin are Beechwood graduates now attending the University of Kentucky.

I am currently serving my fourth year on the Beechwood High School SBDM Council, and I was previously a member of the Elementary SBDM Council. The SBDM Council focuses on implementing policies and procedures for the school to drive student achievement and promote the excellence we have come to know at Beechwood. I believe my time served on council provides invaluable experience that will help me continue to support the council's mission. I appreciate the opportunity to serve on SBDM Council, representing parents' thoughts and recommendations that are communicated to me. Outside of SBDM Council, I have volunteered at Beechwood in the classroom, serving on committees, as a room parent, and being a member of PTSA.

I completed my undergraduate work at Hanover College. I received my Masters in Business Administration from Thomas More College and my Juris Doctor degree from Chase College of Law. I currently work for Dunham Law on a part-time basis where my practice is focused on corporate matters and estate planning.

In this unprecedented time, I have been reminded, once again, how fortunate we are to be in a school system where faculty, staff, administration, and the community work very hard to prioritize Beechwood students in a meaningful way. I would greatly appreciate your consideration in the upcoming SBDM election for the 2021-2022 school year.

Thank you,  
Jodi Henry
